

1987a

“Treatment of Satellite Errors in the Processing of Magnetic Survey Data” (abstract), M. D. Shuster, *Proceedings, International Union of Geodesy and Geophysics, XIX General Assembly*, Vancouver, British Columbia, Canada, August 9–22, 1987.

This work has little content and was presented as a favor to Robert Langl, my customer at NASA/GSFC, who had organized a session at this meeting.

Superseded by 1991c and 1991d.
