

2008c

“Advice to Young Researchers” Malcolm D. Shuster, *IEEE Control Systems Magazine*, Vol. 28, No. 5, August 2008, pp. 113–117, 148.

This work is a republication with some modifications of a section of an earlier publication, J-2006e. It has been generalized to apply to a broader audience than just astronauticians.
